**2017/18**  
**NATIONAL SEMINAR PROGRAMME**  
**For Lifecycle Members**

## Provide specialist services at every stage of a business's life

As an accountant, your clients turn to you for help at many different stages in their business's life and may sometimes need advice in areas that are non-core to you.

Providing a comprehensive suite of specialist services, **Lifecycle** complements your offering to ensure that no matter what their needs, you can provide your clients with the expert help and support required.

## Business is better with Lifecycle

**Lifecycle** is a new and unique network for accountants that lets you offer your clients the specialist services they need at every stage of their business's life.

There is no cost to join and you can access as many of the services as you require, as and when you need them.

As well as free advice from our team of specialists, **Lifecycle** members also benefit from access to a highly competitive Professional Indemnity insurance scheme, a regular training and education programme plus discounted products relevant to you and your clients' needs.

Visit [www.lclifecycle.co.uk](http://www.lclifecycle.co.uk) to see our full range of specialist services

## Seminars

We provide a rolling programme of seminars on a range of topics across the country.

You will receive advance invitations to events in your area. See the following pages for details of upcoming events.
